

THE WINE LIST

For some, this is the most exciting part about going out, for many, it's the most daunting.

For many years, our wine list has been really big. It has fluctuated between 300 + 400 wines, which is a lot to flick through when all you want is a nice glass of wine. Much like wine that expresses itself differently when grown in different places, so too a wine list should be an expression of where it's from, who visits the restaurant + what they expect.

So, after many years of having lots of wine, we now have around 150. Set out in the simplest form we can, set out to make reading it easy, + choosing something delicious even easier. Whilst we still have lots of wine in our cellar, what is on offer will change as wines come in + out of favour + are drunk by happy customers.

What won't change is our commitment to high quality, expressive wines, that suit not just our food, but also, the people that make Bottega the success that it is.

Salute!

Ben Knight
